

Economy of Communion  
International Incubating Network

*Designing the map together*

# THE FIRST EoC IIN Hubs

## PORTUGAL

### -----Strategy and Services

- "Entrepreneurship of communion **Bootcamp**": workshops of pre-incubation for people with entrepreneurial ideas.
- They have already done 2 Bootcamps during 2016.
- 5 successive **accompanying sessions** with potential entrepreneurs.

### -----Ideas for economical sustainability

- This Hub will offer **trainings** for companies' employees (EOC and others) on the culture of communion.

# THE FIRST EoC IIN Hubs

## BRAZIL

2

### -----Strategy and Services

- **Local network of EoC communities**, to support the newest businesses.
- National **Bank of Talents** to share.
- EoC **Mini-schools** for young people with entrepreneurial vocation.
- Their **partner** Aliança Empreendedora will give them know-how and funding to promote **social entrepreneurship** among 100 young people from vulnerable areas.

### POLO GINETTA -----

- They are incubating **10 businesses**, chosen because of their social impact and impact in terms of communion. This is part of the program "PROFOR", born in 2016 (EoC-AMU)
- The goal in 2017 is that this Polo becomes an **innovation center**: co-working space and trainings.

# THE FIRST EoC IIN Hubs

## MEXICO

3

### -----Strategy e services

- Their Hub will offer incubation **workshops** in 4 Mexican cities, followed by an **incubation "one to one"** of 7 projects. They have already done a workshop and have already begun to incubate 3 companies.
- With the **University** of Puebla, they have begun the incubation of entrepreneurial projects in an **indigenous community**.
- They will study whether to build in the **future** an EoC IIN - loan fund, based on reciprocity, to finance business ideas.

*They would form **communities of incubated companies:** technical and motivational support groups.*

*The last workshop, in fact, demonstrated how important it was that the first incubated business had shared its steps taken and achievements with the others startups.*

Prezi

# THE FIRST EoC IIN Hubs

## CAMEROON

### -----Strategy and services

- This HUB, called CRE "**Entrepreneurial Resources Center**", offers a permanent listening point for business projects and a **co-working** place.
- Now, the Hub is gathering entrepreneur's competences and **linking** young people with business ideas with experienced entrepreneurs.
- They'll organize **workshops** on topics that are useful for starting companies.
- They'll also offer **consultancy** to existing companies to contribute to the **economic sustainability of the hub**.

HUB ready to start

5

**CROATIA**

### -----Strategy e services

- They will make a **permanent** incubator at Mariapoli Faro.
- They will offer a **training** course in entrepreneurship, carried out by professors and EoC entrepreneurs from different sectors. The last two modules will be **BootCamp**.
- In parallel, they will help, individually, some people in the development of their entrepreneurial ideas.
- They will support Serbia and **other countries** of the region.

1

**Spain**

2

**Italy**

3

**Ivory Coast**

4

**Uganda**

5

**Burundi**

**Some countries are  
working on their  
EoC-IIN HUB  
strategy**

**STARTING  
POINT**

✓ **Uganda**

✓ **Burundi**

They had created small “savings communities”, contributing to financial education of members and giving loans within the group, from the fund created with their savings, for productive projects.

# Other experiences of incubation with EoC spirit

## USA

**Internships** for young people, with incubation of their business projects. Collaboration with the platform for **online incubation**.

## BELGIUM

Business Incubation in the African continent and in the Eastern Europe **by EoC entrepreneurs**

## PHILIPPINES

EoC Companies incubating : program for incubation of **employees' projects**(KECI)& **microcredit** (KabayanBank)

## CUBA
