

This meeting aims to gather policymakers, academics and professionals in a dialogue on the changing dimensions of poverty alleviation and social protection in the light of the fast evolving global political, economic, social and environmental issues that affect human welfare and security.

SPECIFICALLY THE CONFERENCE SEEKS TO:

- Provide a platform for the discussion of emerging issues and concerns on the various approaches to poverty alleviation and social protection.
- Create awareness on the effective mechanisms in mitigating poverty under diverse conditions.
- Influence policy enhancements and stimulate research on social protection and poverty alleviation.
